## ICE RULES FOR FREESTYLE SESSIONS

1. Skater must check in with a Board Member or Rink Monitor or sign in at the beginning of skating session prior to entering the ice so attendance can be taken. Skaters must also pay for their ice time PRIOR to entering the ice if buying on. Do not enter the ice unless you have paid or are scheduled to skate.
2. Pinny vest must be worn at ALL times by the skater practicing their program or dance over the speaker.
3. All skaters need to be aware of their surroundings and do their best to avoid others. Any skater wearing a pinny vest has "right of way," meaning all other skaters will make every effort to move out of the way.
4. Music is played in order of request, with skaters in a lesson taking precedence and bumping others. NO Exceptions. Three times repeat maximum. ADULTS only playing the music.
5. Parents are asked to assist with playing music during freestyle ice. There is no signup, but we would request that you make time and offer to play the music.
6. Parents and family members are not allowed in the hockey box during skate times as this is distracting to skaters and is a safety issue. NO Exceptions.
7. Coaches may videotape their students during lessons. Parents may videotape their child, and ONLY their child, while the child is wearing the pinny vest.
8. For safety reasons, there is no reckless skating allowed, i.e. no tag, racing, horseplay, etc. There is no group socializing allowed on the ice.
9. After a fall, skaters should get up as quickly as possible in order to avoid injury to other skaters.
10. No use of headphones or earbuds on the ice for safety reasons.
11. CBFSC coaches, board members and/or rink monitors have the authority to enforce ice rules to maintain the safety of all skaters.
